INFORMATION DISCLOSURE STATEMENT

Sir:

Submitted herewith is an Information Disclosure Citation (IDC). Copies of listed non-patent references, foreign patent documents and non-published U.S. patent applications, are provided. No copies are provided of references which are U.S. patents or published U.S. patent applications because they are no longer required.

The listing of references is not a representation that the references are prior art or analogous with respect to the present application. Additionally, unless specifically indicated otherwise, applicants do not vouch for the accuracy of translations provided, if any, and reserve the right to contest the accuracy of translations provided.

Listed references include applications or patent owned by the assignee of the present application and that are related to similar subject matter. Also included are references cited in said applications and patents. The commonly owned published applications are listed under patent documents and are summarized in the table below. It will also be noted that the listed patent documents include other applications or patents wherein the present inventor Josuke NAKATA is an inventor and common ownership exists.
